

Little Bentley and Ravens Green

Neighbourhood Watch Round Up – May to July 2015

Reminder and advice given to residents regarding Water Safety during the summer months, while at the beach – parents of young children should be particularly vigilant and emergency help can be raised by calling 999 and requesting “Coastguard”.

Reminder that the number for non emergency calls to local police is 101 cost 15p for the entire call from landline and mobile phones. Emergency calls should be to 999.

Please report any anti social behaviour – including littering to this number. Members of the public can also seek advice from the ASB Helpline 01255 686359.

Email and mobile phone scams and fraud is on the rise – be alert to requests for money transfers via your phone or attachments on emails and messages – please speak with elderly relatives and friends and inform them not to respond to such requests or open attachments unless they are sure of the content.

Reminder to ensure sheds and non-residential buildings are secure and alarm and lighting should be installed were possible. Reduction in burglaries recently – wish to continue this.

1 incident reported during the period in the Parishes of Manningtree, Mistley Tendring and Little Bentley.
